

CURRENTS

August 2022

Ending Soon – Oceans of Possibilities Summer Reading Challenge 2022!

Our Oceans of Possibilities Summer Reading Challenge ends on August 8. So August 8 is the last day you can turn in your reading logs or log your reading – minutes or books – on the Beanstack app. Reach your reading goal by August 8 and then come in to your local library branch (bring your log sheet if you used one!) and pick up your reward. Everyone who completes the challenge will get a swag bag of prizes and a free book!!

We've had so much fun this summer with our Oceans of Possibilities Summer Reading Challenge. We greatly appreciate all of our patrons who have been participating in the challenge and attending all of our great programs. See page 4 of this newsletter for some great photos of our great presenters and some of those who came out to enjoy our programs.

thank you

A huge thank you to all of the businesses and organizations who helped make our summer reading program a success!!! A huge thank you to our great program presenters who help to entertain and educate our patrons. Many businesses donated prizes for drawings and we really appreciate their support.

Our Summer Reading Program is supported by the Institute of Museum and Library Services under the Library Services and Technology Act as administered by the Missouri State Library, a division of the Office of the Secretary of State.

LAST DAY

Our Awesome Summer Programs!!

We have just a few more summer programs in early August. Pick up a paper calendar or check our [online calendar](#) to see when they will be at a library near you. Watch our Facebook page and online calendar for any last minute changes to the schedule.
