

The Kinders Return

We're so pleased to welcome back the Kinders for a special holiday performance!! The talented duo bring fun, songs and laughter to every performance. They are a great favorite of Riverside patrons.

The Kinders will have two performances on Saturday, December 7. The first is at 10:30 am at the Perryville Branch with a second performance at 2 pm at the Main Branch in Jackson.

The Kinders are annual performers for our summer reading program. However, for personal reasons, they cancelled their performances in May. So we're doubly thankful that they are back on the road and sharing their entertaining show with us this December.

All Library Branches will be closed on
November 11 and November 28.

Notes from the Director's Desk

November is the traditional time to give thanks for the blessings in our lives. I am very grateful for the Riverside Regional Library staff. In each of the Riverside Regional Library branches our librarians are committed to their communities and strive to provide the best service and resources. Next time you stop in at your local branch, please take a moment to let your librarians know how much you appreciate them, too.

All of us at Riverside Regional Library are grateful for you, our community family. We hope you have a safe and wonderful Thanksgiving!
